NON WOVEN CLEANING ROLL

Tread Overseas offers eco-friendly non-woven cloth that is nonstick, recyclable, and highly effective in absorbing liquids. These cloths are designed to be reusable for 5 to 6 times, making them a sustainable and cost-effective choice. They are made from water-absorbing non-woven fabric material, ensuring good water absorption without leaving any crumbs.

Our non-woven cloth rolls are thicker yet lightweight, making them easy to carry and handle. They are specifically designed to not damage the coating of tableware, leaving no residue stains behind. These cloths have a wide range of applications and are the perfect cleaning tools for the kitchen, bathroom, bowls, dishes, and pots.

Key features of our non-woven cloth include their strength, resilience, and ability to withstand germs and bacteria. They are highly absorbent, ensuring efficient cleaning and wiping. Additionally, these non-woven napkins can also be used as regular tissue papers, as they are easy to use, dispose of, and can be conveniently carried anywhere you go.

Choose Tread Overseas for reliable and eco-friendly non-woven cloth that offers superior cleaning capabilities. Our products are designed to meet your needs while considering environmental sustainability and ease of use.

WET TISSUE

Wet tissue papers are a convenient solution for removing sweat and dust from your face, hands, and other parts of the body. They are designed with moisture-retaining features to ensure cleanliness and maintain hygiene standards. At Tread Overseas, we manufacture wet tissue papers using high-quality soft tissues that undergo a sterilization process at high temperatures, ensuring safety from germs and bacteria.

Our wet tissue papers are highly effective in cleaning your skin, including removing sweat that may be trapped in the pores. They provide a refreshing and revitalizing experience, leaving your skin feeling rejuvenated. Additionally, our tissue papers are infused with a pleasant fragrance to help eliminate body odor, enhancing your overall freshness.

We offer our wet tissue papers at wholesale prices, allowing customers to enjoy cost savings when purchasing in bulk quantities. You can trust our products to deliver exceptional quality and hygiene.

Choose Tread Overseas for wet tissue papers that offer effective cleaning, a refreshing experience, and the elimination of body odor. We are committed to providing high-quality products that meet your needs while maintaining the highest standards of cleanliness and hygiene.

MEDICAL COUCH ROLL / BED ROLL

Couch rolls are disposable paper towel rolls available in approximately 18" and 24" widths. They are commonly used in various industries such as healthcare, sports, massage, and beauty. The primary purpose of couch rolls is to provide an additional level of hygiene and maintain a professional setting.

In the healthcare industry, couch rolls are rolled over examination couches to create a barrier between the patient and the surface, reducing the risk of infectious transmission. Similarly, in sports, massage, and beauty industries, couch rolls are used to ensure cleanliness and maintain a hygienic environment during treatments.

These consumable rolls are designed to be disposed of after a single use. By disposing of the couch roll, the risk of cross-contamination is

minimized, promoting a safe and hygienic environment. Additionally, the use of disposable rolls reduces the frequency of disinfecting treatment tables, conserving resources and protecting synthetic leather covers from premature wear and tear.

Choose couch rolls from Tread Overseas to ensure a high level of hygiene and professionalism in your industry. We offer reliable and disposable couch rolls that meet the needs of healthcare, sports, massage, and beauty sectors, contributing to a clean and safe environment for both practitioners and clients

INSTITUTIONAL TISSUE & DISPENSERS

Tread Overseas is a leading manufacturer and supplier of premium institutional tissue papers that serve various purposes, including toilet rolls, facial tissues, folded tissues, and wet tissues. These products are commonly found in industries such as hospitality, events, education, and medical, where there is a need for facial tissues, paper towels, and napkins.

We offer a range of options, including N-fold and C-fold couch rolls, paper towels, and napkins. Our institutional tissue papers are eco-friendly, reducing paper wastage as they allow users to take out only a single tissue at a time.

Our folded paper napkins are designed to be hygienic, absorbent, and add a touch of elegance to any setting. To cater to your specific needs, we offer exceptional C-fold and N-fold paper towels at wholesale prices, delivering them all across India.

One of the main advantages of using institutional tissue products is the opportunity for effective brand promotion and marketing. We also provide custom printing services on institutional tissue papers and packs, allowing you to showcase your brand or personalize your products.
